

NEWPORT BRASS[®]
Flawless Beauty. From Faucet to Finish.[™]

INNOVATIVE SHOWER SOLUTIONS

NEWPORT BRASS COMMITMENT

Since 1989, Newport Brass has developed, designed and delivered classically constructed versatile suites of timeless kitchen, bath and shower products for the discerning customer.

With over 20 years of commitment to well engineered solid brass designs and an undisputed reputation for performance and durability, Newport Brass continues to handcraft the finest fixtures with strict testing and quality assurance measures.

Our hallmark 27 comprehensive finishes transform Newport Brass collections from classic to contemporary styles with ease. Diverse finish choices allow the flexibility to fashion the everyday kitchen or bathroom into luxurious rooms of distinction. Newport Brass stands behind every product we design and manufacture for you.

Endless Choices.
Uncompromised Design.
Visions Realized.

Newport Brass
Flawless Beauty, From Faucet to Finish.

NEWPORT BRASS
Flawless Beauty. From Faucet to Finish.™

INNOVATIVE SHOWER SOLUTIONS

Our shower products are designed for the discriminating consumer who is looking for a complete shower system that provides a luxurious bath spa experience everyday.

Every year. Year after year.

Our popularity is attributed to our vast selection of styles and trim, each of superior quality and craftsmanship that appeals to the meticulous designer within every home. Newport Brass showers will indulge your senses, rejuvenate your mind and leave your body refreshed.

With 27 finishes and the ability to mix and match shower products, it has never been easier to complete your custom designs. Our shower system is the perfect blend of cutting edge technology, contemporary and classic architectural detailing and trusted performance; bringing you products that withstand the test of time.

RELAX

Indulge in the luxury of **overhead rainfall showerheads** and create the shower experience of your dreams.

Our overhead rainfall showerheads emulate rain fall for a soothing experience. Rain flow engine technology with quick response flow control provides the ultimate showering experience.
